

Drifting Blues

John Lee Hooker

Well, I'm driftin' and driftin'
Like a ship out on the sea
Well, I'm driftin' and driftin'
Like a ship out on the sea
Well, I ain't got nobody
In this world to care for me

I get all my money
Tell me, what more can I do?
I get all my money
Tell me, what more can I do?
She's a good lookin' girl
Why don't she just won't be true?

Well, I'm down here by myself
I'm down here by myself
I ain't got nobody, baby
In the world to care for me, yes baby, baby

Yeah my baby
Would only take me back again
Yeah my baby
Would only take me back again
Well, I ain't good for nothin'
I don't have a friend
Babe, honey
