

# House Rent Boogie

John Lee Hooker

Hey  
It's the house rent boogie

I come home last Friday, talk to the woman that I lost my job  
She says don't confront me an' so I have my rent next Friday  
An' next Friday come, I didn't have the rent an' out the door I  
went  
Yes, yes

Hm, hm  
Yes, yes

Come here now y'all, right 'cross the street here  
Help me get this rent together  
Some give me a nickel and some give me a dime

I'm tired of keepin' this movin' every night  
I can't hold out much longer  
Now I got this rent, now let's get together, y'all  
Let's have a ball

Hey, hey, hey, hey, hey, hey, hey, hey, hey, hey
