House Rent Boogie

John Lee Hooker

Hey It's the house rent boogie I come home last Friday, talk to the woman that I lost my job She says don't confront me an' so I have my rent next Friday An' next Friday come, I didn't have the rent an' out the door I went Yes, yes Hm, hm Yes, yes Come here now y'all, right 'cross the street here Help me get this rent together Some give me a nickel and some give me a dime I'm tired of keepin' this movin' every night I can't hold out much longer Now I got this rent, now let's get together, y'all Let's have a ball
