

I Need Love So Bad

John Lee Hooker

Oh baby, I need love so bad
Oh baby, I need love so bad
Because I've been mistreated
Well, baby, all my day

The woman I was lovin'
Well, she didn't understand
Well the woman I was lovin'
She didn't understand

'Cause she didn't never had
Well, no man to be true to her
She say, well you know better
I just don't understand, I said baby
Well, I need love so bad
