

Sailing Blues

John Lee Hooker

Well I'm sailin', sailin'
Like a sail boat on the sea
Well I'm sailin', sailin'
Like a sail boat on the sea
Well I'm just sailin', sailin'
People, from door to door

Yeah, my baby
Wouldn't wanna take me back again
Yeah, my baby
Wouldn't wanna take me back again
Well then I'd be to sailin'
People, from door to door

Well, I sail in the mornin'
Well then I'm sailin' late at night
Well, I'm sailin' in the mornin'
Well then I'm sailin' late at night
When will I get through sailin'
When I won't have to sail no more
