

# Shake It Baby

John Lee Hooker

Shake it Baby  
Shake it Baby  
Shake it Baby  
Show me  
Show me  
C'mon Gal  
Shake it right now

W-A-A-A-A-A-A-A-H Yeah!  
Shake it Baby  
Shake it Baby  
Shake that thing

Me an' you  
Me an' you  
Nobody else would do  
Nobody else but you  
Shake it Baby  
Shake it Baby  
Shake it Baby  
One time  
One time for me  
Now rock!

Ha-ha-ha  
Shake that thing, Baby  
One time for your Daddy  
I love ya  
You're cookin' when you jive  
Honey, you're workin'  
You've got the pots on  
And the gas workin' high

One time for me  
One time for me  
One time for me  
Shake Baby  
Shake it Baby  
Shake it Baby  
Shake it Baby  
Shake that thing  
Shake that thing  
Shake that thing  
Shake that thing  
One time, Baby  
One time  
One time  
One time  
One time  
One more time  
One more  
An' one more  
An' one more  
One more time  
One more time  
One more time  
One more time

One more time  
One more time  
Just one more time  
And, uh, one more time  
Once again  
One time  
And one more time  
And one more time  
And one more time  
One more time, Baby  
Shake it Baby  
One more time  
For me  
For me  
For me  
For me  
For me  
For me
