Hurts So Bad

John Legend

"This is called 'Hurt So Bad'. It's about pain." - John Legend

I think I messed up this time
I let you go and I
Can't get no sleep
Ohh...
With thoughts going through my head
When I should've understand
Trying to be free
Ohh...

Oh, I thought I'd get over you
I'm finding it's hard to do
And I'm so confused
I don't know...

Why does it hurt so bad
How come I just can't let you go
I wanna know, yeah
Cause I shouldn't feel this sad
But I can't help it I miss you so
Oh no!
Yeah...

But I had someone around
And I couldn't settle down
Was chasing my dream
Mmm...
And I sit here by myself
And now you're with someone else
When it should be me
Yeah...

I thought it'd get easier
I said I didn't need ya
And I can't believe
I was wrong

Why does it hurt so bad
How come I just can't let you go
I wanna know, yeah
Cause I shouldn't feel this sad
But I can't help it I miss you so
Oh no!
Said yeah...
Why does it hurt so bad
How come I just can't let you go
I wanna know
Now baby
Cause I shouldn't feel this sad
But I can't help it I miss you so
Oh no!

Said it hurts so bad
Hey...
It hurts so bad baby
Yeah, I said it hurts so bad

Oooooh, yeah
Said it hurts me so bad baby
Oh, yeah, said it hurts so bad
Ohhhhh
Said it hurts me so bad baby
Yeah, said it hurts so bad
Whoh-hey, hey, yeah!
Yeah, it hurt me so bad
Yeah... yeah!

I wish you would come around
I wish we could work it out
I wish you were here but you're gone

Why does it hurt so bad
How come I just can't let you go
I wanna know, now baby
Cause I shouldn't feel this sad
But I can't help it I miss you so
Oh no!

Said it hurts so bad
Yeah...
Said it hurts me so bad baby
Oh, said I wish you would come back home
Cause I miss you so bad
And it hurts me so bad
Ohh, ohh, hey, hey,
Said it hurts me so bad baby.
I miss you now, c'mon
Cause it hurts me so bad
It hurts so bad
Yeah, yeah, yeah
Said it hurt me so bad
Yeah...
It hurt so bad
