

Slow Dance

John Legend

Can we wait just a minute
Slow it down for a minute now baby
Your talkin loud
Your wilding out
Don't seem like my old lady

Lets go and play the song we used to play
Can we reignite the flame
Cause things just ain't the same

We can talk about the baby
We can talk until we're crazy
We can focus on it now
Or we can focus on it later
We can start another fight
We can argue and fuss all night
But I propose that we go to the floor and we slow dance

Tonight I wanna dance
Can you do that with your man yea
Tonight I wanna groove
And let the music make you move
