

## Slow Dance

John Legend

Can we wait just a minute  
Slow it down for a minute now baby  
Your talkin loud  
Your wilding out  
Don't seem like my old lady

Lets go and play the song we used to play  
Can we reignite the flame  
Cause things just ain't the same

We can talk about the baby  
We can talk until we're crazy  
We can focus on it now  
Or we can focus on it later  
We can start another fight  
We can argue and fuss all night  
But I propose that we go to the floor and we slow dance

Tonight I wanna dance  
Can you do that with your man yea  
Tonight I wanna groove  
And let the music make you move
