

# This Time

John Legend

Ran into you yesterday  
Memories rushed through my brain  
Its starting to hit me  
Now you're not with me  
I realize I made a mistake  
I thought that I needed some space  
But i just let love go to waste  
Its so crystal clear now  
That I need you here now  
I gotta get you back today

This time I want it all  
This time I want it all  
Showing you all the cards  
Giving you all my heart  
This time Ill take the chance  
This time Ill be your man  
I can be all you need  
This time its all of me

I hit the bar every night  
looking to score a good time  
Its not like I planned it  
Left empty handed  
Cause Im still alone in my mind  
Now what will it take to feel right  
Can i come see you tonight  
Is there someone new now  
What can i do now  
Cause i need you back by my side

This time I want it all  
This time I want it all  
Showing you all the cards  
Giving you all my heart  
This time Ill take the chance  
This time Ill be your man  
I can be all you need  
This time its all of me

Last time I wasnt sure.  
This time i will give you more  
Im more mature  
Ill show you  
Last time i didnt know  
I messed up let her let you go  
I need you, dont say no

Laying alone in this room  
All that is missing is you  
Pick up the phone  
Wont you come home

This time i want it all  
This time i want it all  
I' m showing you all the cards  
Giving you all my heart

This time Ill take the chance  
This time Ill be your man  
I can be all you need  
This time its all of me  
All of me
