

# Wholy Holy

John Legend

(Woo-wooo-wooo-wooo)  
Whoa-ho-ho-ho Holy Wholly  
Come together wholly  
People we have got to come together  
With all of the strength  
Have all of the feeling ooo-yeah  
Why Holly Wholly  
Come on check out the water now now  
Water Holly Wholly

We should believe  
Believe in each other's dreams  
Jesus left along time ago  
And said he would return  
But he left us a book to believe in  
And in it we've got a whole lot to learn  
Yeah-yeah-whoa Holly Wholly  
He can't talk out  
Can't walk out now  
Holly Holly Holly

We can rock this earth's foundation  
Yes we can (glory)  
Can't you see us (glory)  
Brothers and sisters  
Talkin' about love  
(Love-love-love-love-love)  
Love-love-love-love)  
(Love-love-love-love-love)
