

Angel Baby

John Lennon

It's just like Heaven being here with you
You're like an angel too good to be true
But after all, I love you, I do

Angel baby, my angel baby
I love you, I do
No one can love you like I do

When you are near me my heart skips a beat
I can hardly stand on my own two feet
Because I love you, I love you, I do

Angel baby, my angel baby
I love you, I do
No one can love you like I do

Please, never leave me blue and alone
If you ever go I'm sure you'll come back home
Because I love you, I love you, I do

Angel baby, my angel baby
I love you, I do
No one can love you like I do
