## **Crippled Inside**

## John Lennon

You can shine your shoes and wear a suit You can comb your hair and look quite cute You can hide your face behind a smile One thing you can't hide Is when you're crippled inside

You can wear a mask and paint your face You can call yourself the human race You can wear a collar and a tie One thing you can't hide Is when you're crippled inside

Well now you know that your Cat has nine lives Nine lives to itself But you only got one And a dog's life ain't fun Momma take a look outside

You can go to church and sing a hymn You can judge me by the color of my skin You can live a lie until you die One thing you can't hide Is when you're crippled inside

Well now you know that your Cat has nine lives Nine lives to itself But you only got one And a dog's life ain't fun Momma take a look outside

You can go to church and sing a hymn You can judge me by the color of my skin You can live a lie until you die One thing you can't hide Is when you're crippled inside

One thing you can't hide
Is when you're crippled inside
One thing you can't hide
Is when you're crippled inside
