

Every Man Has a Woman Who Loves Him

John Lennon

Every man has a woman who loves him
In rain or shine or life or death
If he finds her in this life time
He will know when he presses his ear to her breast

Why do I roam when I know you're the one
Why do I laugh when I feel like crying

Every woman has a man who loves her
Rise or fall of her life and death
If she finds him in this life time
She will know when she looks into his eyes

Why do I roam when I know you're the one
Why do I run when I feel like holding you

Every man has a woman who loves him
If he finds her in this life time
He will know
