Here We Go Again

John Lennon

Here we go again Here we go again and again Wond'rin' how it all began Wond'rin' will it ever end

Round and round we go Where it's going, nobody knows Though I know we've been this place before Someone keeps on moving the door

Here we go again Here we go again Here we go again Here we go again

So I say hello again And nobody gives a damn And nobody wants to hold your hand Ev'ryone is an also-ran

Round and round we go Where it's going, nobody knows Though I know we've seen this place before Someone keeps on moving the door

Here we go again Here we go again Here we go again Here we go again

Round and round we go Round and round we go

Here we go again Here we go again
