Hold On

John Lennon

Hold on John, John hold on It's gonna be alright
You gonna win the fight
Hold on Yoko, Yoko hold on
It's gonna be alright
You're gonna make the fight

When you're by yourself And there's noone else You just have yourself And you tell yourself Just to hold on (Cookie!)

Hold on world, world hold on It's gonna be alright You're gonna see the light

When you're one
Really one
Well you get things done
Like they've never been done
So hold on
