

How do you sleep?

John Lennon

1. So Sgt. Pepper took you by suprise
You better see right through that mother's eyes
Those freaks was right when they said you was dead
The one mistake you made was in your head

R: Oh.....how do you sleep?
Oh.....how do you sleep at night?

2. You live with straights who tell you you was king
Jump when your momma tell you anything
The only thing you done was yesterday
And since you're gone you're just another day

R: Oh...

3. A pretty face may last a year or two
But pretty soon they'll see what you can do
The sound you make is muzak to my ears
You must have learned something in all those years

R: Oh...
