

## How do you sleep?

John Lennon

1. So Sgt. Pepper took you by surprise  
You better see right through that mother's eyes  
Those freaks was right when they said you was dead  
The one mistake you made was in your head

R: Oh.....how do you sleep?  
Oh.....how do you sleep at night?

2. You live with straights who tell you you was king  
Jump when your momma tell you anything  
The only thing you done was yesterday  
And since you're gone you're just another day

R: Oh...

3. A pretty face may last a year or two  
But pretty soon they'll see what you can do  
The sound you make is muzak to my ears  
You must have learned something in all those years

R: Oh...
