

Instant Karma!

John Lennon

1. Instant Karma's gonna get you
gonna knock you right on the head
You better get yourself together pretty
soon you're gonna be dead
What in the world you thinking of
laughing in the face of love
What on earth you tryin' to do
it's up to you, yeah you

2. Instant Karma's gonna get you
Gonna look you right in the face
You better get yourself together darlin'
Join the human race
How in the world you gonna see
Laughing at fools like me
Who on earth d'you think you are
A superstar? Well alright you are.

R: Well we all shine on
Like the moon and the stars and the sun
Well we all shine on
Ev'ry one, come on

3. Instant Karma's gonna get you
Gonna knock you of your feet
Better recognize your brothers
Ev'ry one you meet
Why in the world are we here
Surely not to live in pain and fear
Why on earth are you there
When you're everywhere, come and get your share.

R: Well we all shine on
Like the moon and the stars and the sun
Well we all shine on
Come on and on and on on

Yeah yeah al--right Ah haa Aaaah!!!

R: Well we all shine on
Like the moon and the stars and the sun
Well we all shine on
On and on and on on on and on

Well we all shine on
Like the moon and the stars and the sun
