

Meat City

John Lennon

Well I been Meat City to see for myself
Well I been Meat City to see for myself
Been Meat City, been Meat
Just got to give me some rock 'n roll

People were dancing like there's no tomorrow
Meat City
Finger lickin' chicken pickin' Meat City shook down U.S.A.
Pig Meat City

Well I been the mountain to see for myself
Well I been the mountain to see for myself
Been the mountain, been the...
Just got to give me some rock 'n roll

Snake doctors shakin like there's no tomorrow
Freak City
Chicken suckin' mother-truckin' Meat City shook down U.S.A.
Pig Meat City

Well I'm gonna China to see for myself
Well I'm gonna China to see for myself
Gonna China gonna
Just got to give me some rock 'n roll

People were jumping like there's no tomorrow
Meat City
Finger lickin' chicken pickin' Meat City shook down U.S.A.
Pig Meat City

Well I'm gonna China
Yes I'm gonna China
Well I'm gonna China
Yes I'm gonna China
I'm gonna China
Yes I'm gonna China
Alright
