

# Power To The People

John Lennon

R: Power to the people, (3x)  
Power to the people right on.

1. You say you want a revolution,  
we'd better get on right away  
Well let's get on your feet  
end of the street, singing

R: Power...

2. A million workers working for nothing,  
you better give them what they really own  
We gotta put you down  
When we come into town singing

R: Power...

3. I gonna ask you comrades and brothers,  
how do you treat your old woman back home  
She's gotta be herself  
so she can give us help, singing

R: Power...
