## **Real Love**

John Lennon

All my little plans and schemes Lost like some forgotten dream Seems like all I really was doing Was waiting for you

Just like little girls and boys Playing with their little toys Seems like all they really were doing Was waiting for you

Don't need to be alone No need to be alone

It's real love It's real, yes it's real love It's real

From this moment on I know Exactly where my life will go Seems that all I really was doing Was waiting for love

Don't need to be afraid No need to be afraid

It's real love It's real, yes it's real love It's real

Thought I'd been in love before, But in my heart I wanted more Seems like all I really was doing Was waiting for you

Don't need to be alone No need to be alone

It's real love Yes it's real, yes it's real love It's real, yes it's real love...
