John Lennon

(Okay! Okay! This is it, children!)

Hey, hey, hey, hey - hey!

(That's nice!)

The story 'bout all of us  
Not one missing  
She leaves you  
Ain't got no sweet, no no no

Yeah!

Since my baby left me (since my baby left me)  
Never said a word (never said a word)  
Was it something I done (was it something I done)  
Was it something she heard? (something that she heard)  
You know, she left me (yes, she left me)  
Yes she left me (yes she left me)  
My baby even left me, never said a word

Tra la la (tra la la)  
Tra la la (tra la la)

Now I stand at my window (now I stand at my window)  
Wring my hand and cry (wring my hand and cry)  
I hate to lose that woman (I hate to lose that woman)  
Hate to say goodbye (hate to say goodbye)  
You know, she left me (yes, she left me)  
Yes, she left me (yes, she left me)  
My baby even left me, never said goodbye  
Never said goodbye!

Da Da Da (da da da)  
Da da da (da da da)  
Da da da (da da da)  
Da da da (da da da)

One of these mornings (one of these mornings)  
Lord, It won't be long (lord it won't be long)  
You look for me and, baby (you look for me, Baby)  
And Daddy will be gone (Daddy will be gone)  
You know, she left me )yes she left me)  
Yes she left me (yes she left me)  
My baby even left me, never said a word  
Not a word!

Da da da (da da da)  
Da da da (da da da)  
Da da da (da da da)  
Da da da (da da da)

Oh so sad  
So sad  
So so sad  
So so so sad
