## **Sleepless Night**

John Lennon

Sleepless night The moon is bright All I'm asking for is Three minute love Leqs What am I going to do with my legs They're so hot, they won't stay on the cot And they're screaming! Sleepless night All I'm asking for is Three minute love Head What am I going to do with my head It's so light, it just gives me the fright It's full of champagne and dreams Sleepless night All, all I'm asking for is Three minute love This brush must sell like crazy I mean there's a lot of lonely people out there I wanna go to the ball I wanna give it all, I'll take it all Sleepless night

All I'm asking for is What am I asking for?
