

Sweet Little Sixteen

John Lennon

They're really rockin' in Boston
In Pittsburgh, PA
Deep in the heart of Texas
On down to Frisco bay
All over St. Louis
And down in New Orleans
All the cats wanna dance with
Sweet little sixteen

Sweet, sweet, sweet little sixteen
She's got the grown-up blues
Tight dresses and lipstick
She's sportin' high heel boots
Oh, but tomorrow morning
She's gotta have to change her trend
Become sweet sixteen
And back in class again

Oh mummy, mummy
Please, please may I go
You know it's such a sight to see them
Some other steal the show
Oh daddy, daddy, daddy, daddy
You know I beg of you
Scream it to momma
It's all right with you

Because they're rockin in New York
In Philadelphia, PA
Deep in the heart of Texas
Down at the Rainbow, LA
All over St. Louis
And down in New Orleans
All them mothers wanted to
Be sweet little sixteen

Sweet, sweet, sweet sixteen
She's so delicate
She's just gotta have it
