

# Woman Is The Nigger Of The World

John Lennon

R: Woman is the nigger of the world  
Yes, she is - think about it  
Woman is the nigger of the world  
Think about it, do somethink about it

1. We make her pain her face and dance  
If she won't be a slave, we say that she don't love us  
If she's real, we say she's trying to be a man  
While putting her down we pretended that she's above us

R: Woman is the nigger of the world  
Yes, she is - if you don't belive me, look at the one you're with  
Woman is the slave to the slaves  
Ah yeh - better scream about it

2. We make her bear and raise our children  
And then we leave her flat for being a fat old mother hen  
We tell her home is the only place she should be  
Then we complain she's too unworldy to be our friend

R: Woman is the nigger of the world  
Yes, she is - if you don't belive me, look at the one you're with  
Woman is the slave to the slaves  
Yeh... think about it

3. We insult her every day on TV  
And wonder why she has no guts or confidence  
When she's young we kill her will to be free  
While telling her not to be so smart we put her down for being so dumb

R: Woman is the nigger of the world  
Yes, she is - if you don't belive me, look at the one you're with  
Woman is the slave to the slaves  
Yes, she is - if you belive me, you better scream about it
