

Woman

John Lennon

1. Woman - I can hardly express
My mixed emotions at my thought lessness
After all I'm forever in your debt, and -

Woman - I will try to express
My inner feelings and thank fulness
For showing me the meaning of success

R: Ooh, ooh, well,
well tü dü dü, tüp tü
Ooh, ooh, well,
well tü dü dü, tüp tü
(I love you..)

2. Woman - I know you understand
The little child inside the man
Please remember my life in your hands, and -

Woman - hold me close to your heart
However distant don't keep us apart
After all it is written in the stars

R: Ooh, ooh, well...

3. Woman - please let me explain
I never meant to cause you sorrow or pain
So let me tell you again and again - I love you now and forever.

R: Ooh, ooh, well...
