Yes, I'm Your Angel

John Lennon

Yes, I'm your angel I'll give you everything In my magic power So make a wish And I'll let it come true for you Tra, la, la, la, la

Yes, you're my fairy You give me everything I ever wanted from life Have I made a wish And is that why I have you Tra, la, la, la, la

We believe in pumpkins that turn into princess And frogs that turn into prince We believe in moons that smile to us When we hurry home before the midnight strikes Tra, la, la, la, la

Yes, I'm so pretty You're so dizzy And we're so happy every day Let's make a wish And let it come true for us Tra, la, la, la, la

I'm in your pocket You're in my locket And we're so lucky in every way We make a wish And let it come true for us Tra, la, la, la, la

We believe in houses built in the sky And love that lifts us high We believe in the sun that looks over our shoulders And brings our shadows together Tra, la, la, la, la

Yes, our hearts are one Our bodies, too And it's so good (um) everytime We make a wish And let it come true for you, too Tra, la, la, la, la

Happy birthday, my love
I'm your angel
I'll give you everything
In my magic power
So make a wish
And I'll let it come true for you
Tra, la, la, la, la, la
