

Your Hands

John Lennon

Anatano te, konnani kireina
Anatano te, yumenimade miru
Your hands, so beautiful
Your hands, I even dream about them

Anatano hade, konnani atsui
Anatano hade, yumenimade miru
Your skin, so hot
Your skin, I even dream about it

Ichinichi ni
Nando attemo aitarinai
Isshoni
Nando attemo aitarinai

In a day
No matter how many times we meet
It's not enough
In a lifetime
No matter how many times we meet
It's not enough

Isshoni
Nando attemo aitarinai
Ikusei ni
Isshoni
Nando attemo aitarinai.

In a lifetime
No matter how many times we meet
It's not enough
In many lifetimes
No matter how many times we meet
It's not enough

Futarino koi konnani tsuyoi
Futarino koi konnani moroi
Futarino koi itsumademo

Our love so strong
Our love so frail
Our love forever

Konnani kireina
Anatano me
Your eyes, so beautiful
Your eyes
