

# The Pardon

John Lydon

I think you need me now.  
I'm from chapter to chapter.  
I'll never let go.  
I have an appetite.  
Follow the rules of life.  
Never the same thing twice.  
(repeat)

Admire the scenery.  
It's where I left it last.  
This room now has a view.  
It's nearly night at last.  
The ceiling seal of ice.  
The walls and windows have your eyes.  
Almost a honeymoon.  
I feel clean inside.

This body beautiful.

I think you need me now.  
I'm from chapter to chapter.  
I never let go.  
I had this appetite.  
Follow these rules of life.  
Never the same thing twice.

Admire the scenery.  
It's where I left it last.  
This room now has a view.  
It's nearly night at last.  
The ceiling seal of ice.  
The walls and windows have your eyes.  
Almost a honeymoon.  
I feel clean inside.

I'm safe inside this body, body beautiful.  
This body beautiful.  
Body beautiful.
