

# Baby Come Home

John Martyn

One!  
Two!  
One, Two, Three, Four!

Woman come home  
Please, please, woman come home.

Got something for you  
Gonna make you jump and shout  
I got something for you here  
Tell you what it's all about.

Woman get home  
Come on woman, get home to me  
Woman get home, woman get home  
Woman get home with me right now.

Get you a ticket  
The bus, the train, the airplane, the boat  
Gotta row across the water  
Just woman get home.

Ah woman get home to me  
Missing you so, child  
I'm missing you so  
Miss you so when you got away  
Ah woman come home.

Woman get back to me  
Bring your skinny little ass back home  
Bring your skinny little ass back home  
Bring your skinny little ass back here to me  
Bring your ass back home, I say.

Woman come home  
Ah please, I'm just missing you so  
I can't go without you  
I can't go on.

Woman come home to me right now, don't think about it  
Woman come home to me right now and don't think about it.

Get you to take my old dog,  
Sat it down to Wilson Pickett  
Just get your ass home  
Skinny little ass, right  
Bring it on ??? to ??? and me.

Leap up and ski, we'll try  
While you bring your skinny ass home  
Come on get here today, before yesterday,  
I don't care, as long as it's so  
Come on, I'll buy your ticket  
Said it with Wilson Pickett.

I don't care as long as you get here  
I don't care as long as you get here

I don't care as long as you get here  
I don't care, long as you get here  
I don't care, long as you get here  
I don't care.

Woman come home  
Please, please, woman come home  
Get your ass home  
Please, please, knock before.

Come on, the door is open  
Get your ass here  
The day before yesterday.  
That's when I want to see you  
It's the day before yesterday.
