

Dreams By The Sea

John Martyn

No, no, no, no, it can't be true
No, no, no, no, it isn't you
No, no, no, no, it's not the way you are
No, no, no, no, it isn't you
No, no, no, no, it can't be true
No, no, no, no, it's not the way you are.

Bad dreams for me
Bad dreams by the sea.

Dreaming you've got a lover
Dreaming I got another
Dreaming that there's a killer in your eyes
Dreaming that you're a user
Dreaming that I'm a loser
Dreaming that there's a killer in my eyes.

Bad dreams for me
Bad dreams by the sea.

Dreaming about a place of shades
Dreaming about the ace of spades
Dreaming that that is taking things too far
No, no, no, no, it can't be you
No, no, no, no, it isn't true
No, no, no, no, it's not the way you are.

Bad dreams for me
Bad dreams by the sea.
