

## Dreams By The Sea

John Martyn

No, no, no, no, it can't be true  
No, no, no, no, it isn't you  
No, no, no, no, it's not the way you are  
No, no, no, no, it isn't you  
No, no, no, no, it can't be true  
No, no, no, no, it's not the way you are.

Bad dreams for me  
Bad dreams by the sea.

Dreaming you've got a lover  
Dreaming I got another  
Dreaming that there's a killer in your eyes  
Dreaming that you're a user  
Dreaming that I'm a loser  
Dreaming that there's a killer in my eyes.

Bad dreams for me  
Bad dreams by the sea.

Dreaming about a place of shades  
Dreaming about the ace of spades  
Dreaming that that is taking things too far  
No, no, no, no, it can't be you  
No, no, no, no, it isn't true  
No, no, no, no, it's not the way you are.

Bad dreams for me  
Bad dreams by the sea.
