Dreams By The Sea

John Martyn

No, no, no, no, it can't be true No, no, no, no, it isn't you No, no, no, no, it's not the way you are No, no, no, no, it isn't you No, no, no, no, it can't be true No, no, no, no, it's not the way you are.

Bad dreams for me Bad dreams by the sea.

Dreaming you've got a lover Dreaming I got another Dreaming that there's a killer in your eyes Dreaming that you're a user Dreaming that I'm a loser Dreaming that there's a killer in my eyes.

Bad dreams for me Bad dreams by the sea.

Dreaming about a place of shades Dreaming about the ace of spades Dreaming that that is taking things too far No, no, no, no, it can't be you No, no, no, no, it isn't true No, no, no, no, it's not the way you are.

Bad dreams for me Bad dreams by the sea.
