

He's Got All The Whiskey

John Martyn

He's got all the whiskey
He's got all the whiskey
He's got all the whiskey, still won't give me none.

He's got all the money
He's got all the money
He's got all the money, but he just won't give me none.

He's got all the women
He's got all the women
He's got all the women, but he doesn't give me one.

He's got all the power

He's got all the power
He's got all the power, he won't give me none.

Now he's got religion
He's even got religion
He's even got religion, but he just can't teach me one.

He's got all the whiskey
He's got all the whiskey
He's got all the whiskey, won't give me none
Won't give me none; not even won't give me none.
