

# Head And Heart

John Martyn

There's just no way to say how much I love you  
You never made me cry  
And that's just fine  
Only got my fear  
To put above you  
You know we all get scared from time to time.

Love me with your head and heart  
Love me from the place it starts  
Love me from your head and heart  
Love me like a child.

There's just no way to play the things I'm feeling  
No way to tell you all the things you mean  
Everyday I only feel like stealing  
Away to where I know I can be clean.

Love me with your head and heart  
Love me from the place it starts  
Love me from your head and heart  
Love me when I'm wild.

Laying down the ways to say I need you  
Scared of looking tall and feeling small  
Running through the days I have beside you  
Scared of being wrong and that's it all.

Love me with your head and heart  
Love with your very self  
Love me with your head and heart  
Love me like a child.

There's just no way to say how much I love you  
You never made me cry  
And that's just fine  
Only got my fear  
To bare above you  
You know we all get scared from time to time.

Love me with your head and heart  
Love me from the very start  
Love me from your head and heart  
Love me like a child.
