I'd Rather Be The Devil

John Martyn

I'd rather be the devil and I will leave my woman's ?mane? Yes, I'd rather be the devil and I will leave my woman's ?mane? 'Cause nothing but the devil knows my baby's Nothing but the devil knows my baby's Nothing but the devil knows my baby's name

Well, I laid down last night and I was trying to take my rest Yes, I laid down last night, I was trying to take my rest But my mind starts a-rambling like the wild geese in the My mind starts a-rambling like the wild geese in the Mind starts a-rambling like the wild geese in the west

The woman I love, though she's evil all the time Yeah, the woman I love, oh she's evil all the time Studies so much evil, just add it on So much evil, just add it on So much evil, just add it on to mine

The woman I love, I stole her from my own best friend The woman I love, I stole her from my best friend But I know you'll get lucky, steal her back I know you'll get lucky, try to steal her back I know you'll get lucky, steal her back again
