

## May You Never

John Martyn

May you never lay your head down without a hand to hold  
May you never make your bed out in the cold

You're just like a great and strong brother to me and you know  
that I love you true  
You never talk dirty behind my back and I know there are those  
that do  
Won't you please, won't you please, won't you bear in mind  
Love is a lesson to learn in our time  
Please won't you please won't you bear in mind for me  
May you never lay your head down without a hand to hold  
May you never make your bed out in the cold

and your just like a good close sister me and you know that I l  
ove you true  
You hold no blade to stab me in the back and I know there're th  
ose who do  
Won't you please won't you please won't you bear in mind  
Love is a lesson to learn in our time  
Won't you please won't you please won't you bear it mind for me  
May you never lay your head down without a hand to hold  
May you never make your bed out in the cold

You're just like a great and strong brother of mine and you kno  
w that I love you true  
You never talk dirty behind my back and I know there are those  
that do  
Won't you please, won't you please, won't you bear in mind  
Love is a lesson to learn in our time  
Won't you please won't you please won't you bear it mind for me
