

The Sky Is Crying

John Martyn

The sky is crying
Look at the tears rolling down the street
I'm telling you, the sky is crying
Look at those tears rolling down the streets
You came to survive
Oh boy we're here to meet.

I got a bad feeling
Bad feeling, my baby done me wrong
I got a bad, bad feeling
I believe there's been an infringement here
The sky keeps crying
But the air don't clear.

Me and my baby - the sky is crying
Through the tears rolling down the streets
I'm telling you, the sky itself is crying
Look at the tears roll down the streets
Twinkle, twinkle, little star
Oh, where can you go, I tell you move too far
I swear I don't know.
