

Winding Boy

John Martyn

I'm just a winding boy
Don't deny my name
I'm just a winding boy
Don't deny my name.

My name
Winding boy, don't deny my name
Just wake it up and shake it up like sweet Steven Chain
Just, winding boy, don't deny my name.

Hey mama, mama
Mama, look at Sis
My mama, mama
Mama, won't you look at Sis.

Look at Sis
Hey mama, mama, take a look at Sis
She's way down on the levee doing the double twist
Just, winding boy, don't deny my name.

Hey little sister
Mama, won't you look at her now
My baby sister
Mama take a look at her now.

Look at her now
My baby sister, won't you look at her now
Trying to be a bad girl
Needs me to show her how.

Just a winding boy
Don't deny my name
Just a winding boy
Don't deny my name.

I'm just a winding boy
Don't deny my name
My name
Winding boy, don't deny my name
Just wake it up and shake it up like sweet Steven Chain
Just, winding boy, don't deny my name.
