

Do Your Best

John Maus

Someone,
Someones alone,
In the city tonight,
You've gotta do whats right,
In the city tonight,
Someones alone,

Reach out your hands to the one alone,
In your city tonight,
You've gotta do whats right,
In your city tonight
Someones alone,
Someones alone,
In your city,

Someones alone,
Someones alone,
In your city tonight,
You've gotta do whats right,
In the city,
Reach out the hands to the one alone,
In your city,
Reach out your hands to the one alone,
In the city, in the city, in the city.
