

My Whole World's Coming Apart

John Maus

give me give me give me some love
g-give me give me give me some love
give me give me give me some love
g-give me give me give me some love
give me give me give me some love

and this is my night (mare)
my night (mare)
my night (mare)
and this is my night (mare)
my night (mare)
my night (mare)

my whole world's coming apart
my whole world's coming apart
my whole world's coming apart
my whole world's coming apart
my whole world's coming apart
my whole world's coming apart

well i am facing you
i have to try so hard
well i am facing you

just have to wait until tomorrow
just have to wait until tomorrow
just have to wait until tomorrow
just have to wait until tomorrow
