

# Brown Sugar

John Mayall

I've got a taste of Brown Sugar, gonna leave white sugar alone  
I've got a taste of Brown Sugar, gonna leave white sugar alone  
My Brown Sugar keeps me sweet, satisfied at home

I've got a taste of Brown Sugar got me feeling all mellow and calm  
I've got a taste of Brown Sugar got me feeling all mellow and calm  
My Brown Sugar gonna melt away in my arms

I've got a taste of Brown Sugar and it's sweeter in my coffee cup  
I've got a taste of Brown Sugar and it's sweeter in my coffee cup  
I love my Brown Sugar, Love the way that she stirs me up

I've got a taste of Brown Sugar, gonna leave white sugar alone  
I've got a taste of Brown Sugar, gonna leave white sugar alone  
My Brown Sugar keeps me sweet, satisfied at home.
