

## Have You Heard

John Mayall

Have you heard about my baby?  
Yes, how I love her, you don't know  
Have you heard about my baby?  
How I love, how I love her, you don't know  
I declare it hurt me so bad  
Yes, when I heard she'd got to go

Have you heard about my baby?  
Yes I tried, yes I tried, but I let her down  
Heard about my baby?  
Ooh yes, I tried and I let her down  
Ooh, she burned me with her love  
Yes, no other, no other will wear her crown

Yes, indeed

Have you heard about my baby?  
Where she gone, where she gone, I just don't know  
Yes, have you heard about my baby?  
Ooh, where she gone, where she gone, I just don't know  
Well, if you should see my baby  
Yes, please tell her that I love her so

Yes, no more next time
