

## Bold as Love

John Mayer

Anger he smiles towering in shiny metallic purple armor  
Queen Jealousy, envy waits behind him  
Her fiery green gown sneers at the grassy ground  
Blue are the life-giving waters taken for granted  
They quietly understand  
The once happy turquoise armies lay opposite ready  
But wonder why the fight is on

But they're all bold as love  
Yeah, they're all bold as love  
They're all bold as love  
Just ask the axis

My red is so confident that he flashes  
Trophies of war and ribbons of euphoria  
Orange is young, full of daring  
But very unsteady for the first go around  
My yellow in this case is not so mellow  
In fact I'm trying to say it's frightened like me  
And all these emotions of mine keep holding me from  
Giving my life to a rainbow like you

I'm bold, bold as love  
Yeah I'm bold, bold as love  
I'm bold, bold as love  
Just ask the axis  
Yeah he knows, he knows everything  
I'm bold, bold as love
