

Clarity

John Mayer

I worry, I weigh three times my body
I worry, I throw my fear around
But this morning, there's a calm I can't explain
The rock candy's melted, only diamonds now remain

By the time I recognize this moment
This moment will be gone
But I will bend the light, pretend
That it somehow lingered on, well all I got

And I will wait to find
If this will last forever
And I will wait to find
If this will last forever

And I will pay no mind
Well it won't and it won't
Because it can't, it just can't
It's not supposed to

Was there a second of time that I looked around?
Did I sail through or drop my anchor down?
Was anything enough to kiss the ground?
And say I'm here now and she's here now

So much is wasted in the afternoon
So much is sacred in the month of June
How 'bout you?

And I will wait to find
If this will last forever, yeah
And I will wait to find
That it won't and it won't, it won't

And I will pay no mind
Worried 'bout no rainy weather
And I will waste no time
Remaining in our lives together
