Heartbreak Warfare

John Mayer

Lightning strike
Inside my chest to keep me up at night
Dream of ways
To make you understand my pain

Clouds of sulfur in the air Bombs are falling everywhere It's heartbreak warfare

Once you want it to begin No one really ever wins In heartbreak warfare

If you want more love Why don't you say so? If you want more love Why don't you say so?

Drop his name
Push it in and twist the knife again
Watch my face
As I pretend to feel no pain, pain, pain

Clouds of sulfur in the air Bombs are falling everywhere It's heartbreak warfare

Once you want it to begin No one really ever wins In heartbreak warfare

If you want more love Why don't you say so? If you want more love Why don't you say so? Just say so

How come the only way to know how high you get me Is to see how far I fall?

God only knows how much I'd love you if you let me But I can't break through it all

It's a heart, heartbreak

I don't care if we don't sleep at all tonight Let's just fix this whole thing now I swear to God we're gonna get it right If you lay your weapon down

Red wine and Ambien You're talking shit again It's heartbreak warfare

Good to know it's all a game Disappointment has a name It's heartbreak, heartbreak

It's heartbreak warfare
