

# I Don't Trust Myself (With Loving You)

John Mayer

No I'm not the man I used to be lately  
See you met me at an interesting time  
If my past is any sign of your future  
You should be warned before I let you inside

Hold on to whatever you find baby  
Hold on to whatever will get you through  
Hold on to whatever you find baby  
I don't trust myself with loving you

I will beg my way into your garden  
I will break my way out when it rains  
Just to get back to the place where I started  
So I can want you back all over again

Hold on to whatever you find baby  
Hold on to whatever will get you through  
Hold on to whatever you find baby  
I don't trust myself with loving you

Who do you love?  
Girl I see through, through your love  
Who do you love me or the thought of me? me or the thought of me?

Hold on to whatever you find baby  
Hold on to whatever will get you through  
Hold on to whatever you find baby  
I don't trust myself with loving you

Hold on to whatever you find baby  
Hold on to whatever gets you through through  
Hold on to whatever you find baby  
I don't trust myself with loving you  
I don't trust myself with loving you  
I don't trust myself with loving you  
I don't trust myself with loving you
