

# I'm Gonna Find Another You

John Mayer

It's really over, you made your stand  
You got me crying, as well as you planned  
But when my loneliness is through, I'm gonna find another you

You take your sweaters  
You take your time  
You might have your reasons but you will never have my rhymes  
I'm gonna sing my way away from blue  
I'm gonna find another you

When I was your lover  
No one else would do  
If I'm forced to find another, I hope she looks like you  
Yeah and she's nicer too

So go on baby  
Make your little get away  
My pride will keep me company  
And you just gave yours all away  
Now I'm gonna dress myself for two  
Once for me and once for someone new  
I'm gonna do somethings you wouldn't let me do  
Oh I'm gonna find another you
