

Only Heart

John Mayer

Do not waste this evening baby I'm begging you
Your big imagination's playing its tricks on you
If you think my up and leaving's something I'm gonna do
Feel my chest when I look at you baby you

You got my only heart
Yeah, you got my only heart
Yeah, you got my only, only heart

It's so hard to be so far out living our separate lives
Your phone was really broken, I tried your number twice
And if you need confirmation, baby I understand
It's alright if you want me to tell you you

You got my only heart
Yeah, you got my only heart
Yeah, you got my only, only heart

And you live like your hand's on the horn, baby
I adore you but there's a hole in the cup that should hold my love
Hold love
If you let, if you let, if you let me leave
I swear, I never will
Remember now you

You got my only heart
Yeah, you got my only heart
Yeah, you got my only heart
Yeah, you got my only heart
Yeah, you got my only heart
